SUBJECT: Test Results- Screening Program

1. Attached is the report of your test results in the screening program of the Reading Improvement Laboratory.
2. We hope that you will be able to attend the reading improvement course. This may be arranged through your supervisor and the training liaison officer for your Office.
3. In the interim, your reading effectiveness will be increased if you will:

Maintain rhythm of eye movements.

Avoid regressions.

Discriminate as to the relative importance of what you read and develop flexibility of reading rate for materials of varying levels of difficulty.

Eliminate vocalization.

Concentrate.
